

SEVENTEENTH- AND EIGHTEENTH-CENTURY STUDIES

Seventeenth- and Eighteenth-Century Studies promotes interdisciplinary work on the period c.1603–1815, covering all aspects of the literature, culture and history of the British Isles, colonial North America and the early United States, other British colonies and their global connections. The series welcomes academic monographs, as well as collective volumes of essays that combine theoretical and methodological approaches from more than one discipline to further our understanding of the period. It is supported by the Société d'Études Anglo-Américaines des XVII^e et XVIII^e siècles.

General Editors: Ladan Niayesh, Université de Paris and Will Slauter, Sorbonne Université

Founding Editor: Anne Dunan-Page, Aix-Marseille Université

Advisory board: Bernadette Andrea, University of California, Santa Barbara; Daniel Carey, National University of Ireland Galway; Rachel Herrman, Cardiff University; Hannah Spahn, University of Potsdam; Claire Preston, Queen Mary University of London and Peter Thompson, University of Oxford
